WHO ARE WE?

Wythenshawe FC is a community-owned football club based in South Manchester. As one of Manchester's largest districts with a population of over 100,000 people, Wythenshawe operates on a city-like scale comparable to the likes of Preston or Southampton. Formed in 1946, "The Ammies" play a vital role within this vast, vibrant community, both on and off the pitch.

For the upcoming 2026-27 season, the club will feature an incredible 60+ teams for both male and female players, spanning from age 3 all the way through to open age.

Our Men's First team play at Step 4 of the FA Pyramid following a record-breaking season, amassing over 100 points to become champions.

Our Women's First team compete at Tier 4 of the FA Women's Pyramid, going head-to-head in the National League with major clubs like **Leeds, Blackburn, and Huddersfield**. They made history as the first women's team at this level to become semi-professional, securing back-to-back promotions and finishing an impressive 4th last season.

In total, the club's teams compete across 14 different leagues throughout the South Manchester and Cheshire regions.

CLUB HISTORY

Founded in 1946, Wythenshawe FC has grown from a local youth initiative into one of the largest community football organisations in South Manchester.

Key milestones:

- Over 60 active teams across the club structure
- Record attendances exceeding 1,500 spectators
- Women's team achieving historic promotions to Tier 4
- Development of Hollyhedge Park Stadium through FA, Premier League and National Lottery funding
- Continued investment in facilities and pathways for players of all ages Today the club combines tradition with ambition, providing a platform for football development while maintaining its strong community identity.

AUDIENCE & DIGITAL REACH

Wythenshawe FC gives sponsors access to a growing, multi-platform football audience across senior football, women's football, junior pathways, the Foundation, Vets, events and the local community.

The club's digital presence already includes strong public followings across Facebook, TikTok, Instagram, X, and LinkedIn, alongside dedicated channels for the Foundation and Women's First Team. This gives sponsors **multiple ways to be seen**, from matchday posts and reels to sponsor spotlights, community campaigns, website features and business networking content

OUR UNIQUE VISIBILITY PLATFORM

Elite Former Professionals

Our Vets team regularly features former Premier League and international players such as Stephen Ireland, Emile Heskey, Danny Drinkwater, Antonio Valencia, Joleon Lescott, Papiss Cissé and more. Their involvement brings a level of credibility, quality and name recognition rarely seen at the grassroots level.

Massive Digital Reach

Matches and highlight clips featuring the Vets have attracted millions of views across social media, generating viral moments that extend far beyond the local community. This creates a powerful platform for sponsors to gain national-level visibility through authentic, highly shareable football content.

MARKETING & PROMOTION PLAN

Videography of Matchday

We will capture high-quality matchday videography that showcases the energy, atmosphere and key moments from each fixture. This content will be used across our digital channels to highlight your brand in an engaging, authentic way that resonates with supporters.

Increasing Social Media Presence

We are committed to growing our social media reach through consistent posting, improved content quality and targeted engagement strategies. This ensures your brand benefits from a larger, more active online audience throughout the season.

Ticketing Promotions

We will run creative ticketing promotions designed to boost attendance and encourage repeat visits, giving your brand greater exposure to matchday crowds. These campaigns also help strengthen community engagement, driving more eyes to your sponsorship assets.
